

Tariffs, Uncertainty, and Trade

Thursday, April 10, 2025

 **11:00-12:00pm: Seminar**

 **Georgia Tech Exhibition Hall**
HOME PARK ROOM (2ND FLOOR)

About the Seminar

Dr. Parrish will delve into the complex interplay between tariffs, inflation, interest rates, and other economic factors. We will explore how these elements influence not only the economy of Georgia but also the broader U.S. and global economies. Dr. Parrish will provide an analysis of current economic trends, shedding light on the uncertainties and challenges faced by businesses and policymakers in today's interconnected world.

About the Speaker

Jerry D. Parrish, Ph.D. is the Chief Economist at the Metro Atlanta Chamber. Dr. Parrish has held several prominent positions, including Chief Economist and Director of Research for the Florida Chamber Foundation, Chief Economist and Director of the Center for Competitive Florida at Florida TaxWatch, and Associate Director of the Center for Economic Forecasting & Analysis (CEFA) at Florida State University. His extensive experience in the private sector includes management roles at international manufacturing companies.
