

SCL IRC Seminar Visitors,

We welcome you to the main Georgia Tech Campus and hope your visit is a pleasant one. The Georgia Tech campus is very large and can be a bit confusing, so if you are not familiar with the GT campus, you will want to arrive early to give yourself enough time to park and reach the venue.

We suggest parking in Area 4 (see attached map), **which is at the corner of Ferst Drive and State Street**. If Area 4 is full, we suggest trying Area 3, and then Area 2. If you park outside of walking distance, we suggest riding a GT bus to the Hemphill stop (GTMI is located across the street). Select lots require that you prepay for parking before leaving the lot, so please note any signage when entering a parking area. **Payment machines accept credit cards.**

The GTMI/MARC event venue is north and down the street from the ISyE complex and a 5-10 minute walk:

Georgia Tech Manufacturing Institute (GTMI)

813 Ferst Drive, N.W., Atlanta, GA 30332-0560

(404) 894-9100

SCL events that take place at GTMI/MARC typically take place in the first floor auditorium. We look forward to meeting you at our event.

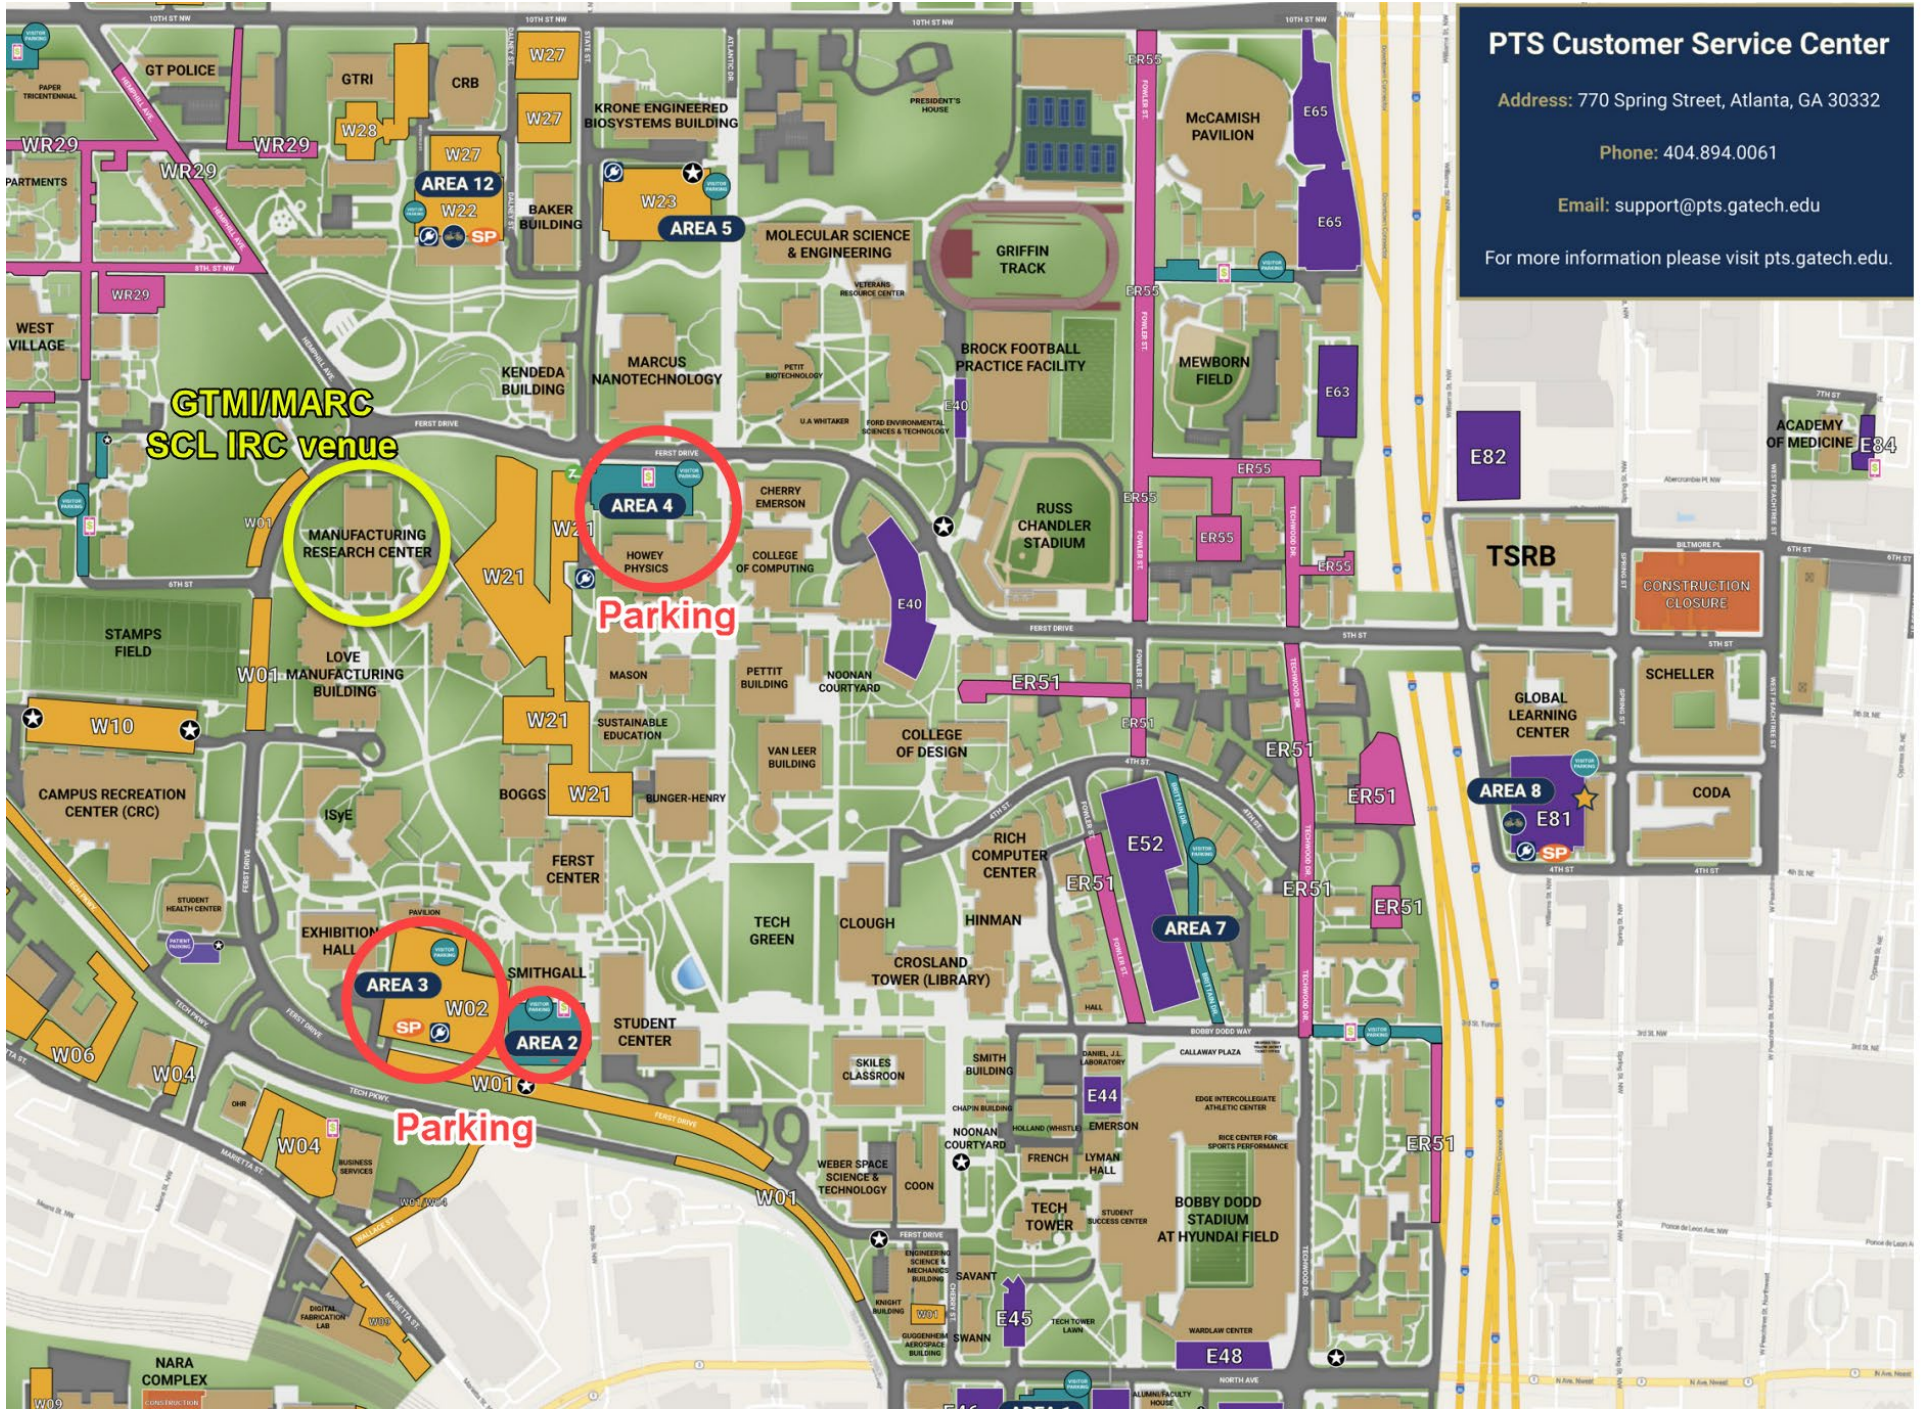

Thank you,

Georgia Tech Supply Chain and Logistics Institute
